

## Wainwrights from Hartsop Fold

You can do 40 Wainwright fells right from the door at Hartsop Fold.

We have grouped them here into areas so you can see which ones can be ticked off together. We recommend using paper maps (OS maps) alongside apps such as Outdooractive or the OS app to plan your routes and keep you rights. Please consult Mountain Weather Information Service for detailed information on the weather – especially if attempting large fells.

### Area 1

- Hartsop Dodd
- Caudale Moor (Stoney Cove Pike)
